

INROADS Surety Intern Program Seeks Sponsors

SFAA and The Surety Foundation are entering the ninth year of the INROADS Surety and Fidelity Intern Program and are seeking companies to sponsor interns for the summer of 2010. In the first eight summers, SFAA member companies have sponsored 89 intern positions and we are as enthusiastic as ever that this is an excellent way to increase the number of minority professionals in our industry and to assist in developing this new bonding talent. Several of these scholar/interns are either now working full-time for their sponsoring companies or anticipate being offered full-time positions once they graduate. SFAA member companies that have sponsored interns during the past eight years include Chubb, CNA Surety, Great American Insurance, The Hartford, HCC Surety, Liberty Mutual Surety, Old Republic, SAFECO Surety and Travelers Bond. Our program partner, INROADS, Inc., is a renowned, national intern program whose mission is to develop and place talented minority youth in business and industry and prepare them for corporate and community leadership.

If you have not already done so, we are asking you as an SFAA member company to consider participating in the INROADS Surety and Fidelity Intern Program by hosting one or more minority scholar/interns this upcoming summer. As many of you are now involved in implementing your staffing plans for 2010, please consider including summer internships in this process. For more information on the INROADS Surety and Fidelity Intern Program, call Sam Carradine at (202) 778-3638 or email him at [**scarradine@surety.org**](mailto:scarradine@surety.org).
